Dear Mr. Ali Oqal,

We are one of the largest manufacturers of Drinking water (Nova) in Saudi Arabia.

We have a large fleet of 90 Forklifts, and we are pleased to confirm since more than 20 years, we have standardized all our tire purchases from Michelin (XZM) tires, as we experienced best performance in terms of uptime, reliability, and long life.

We thank Michelin for its consistency in product quality and after sales services by Juffali Tyre team.
