Subject: Special thanks to Michelin Saudi Arabia-ALJUFALY

To **Michelin France/ Michelin Juffali - Saudi Arabia**

Dear Mr. Ali,

We are one of the largest manufacturers of cable wire in Saudi Arabia.

We have a large fleet of **140 Forklifts**, and we are pleased to confirm since almost 10 years we have standardized all our tire purchases for Michelin XZM tires, as we experience higher performances compared to solid or nylon tires from another manufacturers .

We thank Michelin for its consistency in product quality and after sales services by Juffali .

Best Regards,

Sameh Abdulbaset
