

# KO3

BFGOODRICH  
ALL-TERRAIN T/A KO3 TYRE

## Legendary toughness, made tougher.

- ▶ **Engineered to Endure**  
A new tread rubber compound, an optimized footprint shape and our hightech full depth locking 3D sipes makes KO3 the best in class in terms of tread wear.
- ▶ **Built to Overcome**  
Coregard technology in both shoulder and sidewall areas, as well as our new rubber tread compound, makes our new KO3 even tougher than its predecessor.
- ▶ **Designed to Do It All**  
Improved traction capabilities thanks to the full depth 3D locking sipes, interlocking tread elements and updated shoulder serrated design with “mud phobic” bars.
