2022 TIRE REGULATIONS

ALLOCATION PER RACE:

**MICHELIN
POWER "SLICK":
28**

10 front slicks maximum

12 rear slicks maximum

Riders who participate in both Q1 and Q2:

- ✓ + 1 MICHELIN Front Power Slick (of the specification the riders prefer)
- ✓ 1 MICHELIN Rear Power Slick Soft

In the case that Q1 and Q2 sessions are both declared wet by the Race Director, the extra tires allocated will be rain tires.

In the case that Q1 and Q2 sessions are declared as different weather conditions (dry or wet) then no extra tire will be allocated.

**MICHELIN
POWER RAIN:
13**

6 front Power Rain of 2 specifications

7 rear Power Rain of 2 specifications

In the case that any 4 of the 5 sessions, being FP1, 2, 3, 4, and one Qualifying session (excluding warm-up), are declared wet, one more set of rain tires will be allocated to every rider, and the allocation automatically becomes:
7 Front rain tires, and 8 Rear rain tires.

PIERO TARMASSO

Michelin Motorsport
Two-Wheel Manager

WE KNOW WE HAVE

WHAT THE RIDERS

NEED TO CREATE

AN EXCITING RACE.

The end of this long and exhausting tour of Asia and Oceania is drawing to a close, but that doesn't mean we are ready to relax, because the Malaysian

GP is a very important race at a crucial time in the championship. Over the last three race weekends we have had a huge mix of weather, from torrential rain to high temperatures and we now expect to roll that all into one weekend here in Malaysia, but without the cooler temperatures we had in Australia!

We probably have more data from Sepang than any other race circuit, but it

is still a track that demands total respect, as it's very technical, has an abrasive surface and usually the asphalt can be very hot.

This is one of the venues where the tires face the possibility of the greatest difference in conditions, not only over the weekend, but hourly, as we can have torrential rain followed by the track drying quickly. The correct rubber compounds are needed to work well in these conditions, and from our intensive testing and knowledge of the circuit we know we have what the riders need to create an exciting race.
