The new MICHELIN Pilot Power 3 MotoGP™ Ltd Edition

To mark its return to motorcycle racing's premier series, Michelin has chosen the 2016 Grand Prix de France to take the wraps off the new **MICHELIN Pilot Power 3 MotoGP™ Ltd Edition** which will go on sale in Europe on 1 June.

In a world first, this exclusive tyre will feature specific sidewall branding that combines the MICHELIN Pilot Power 3 and official MotoGP logos. Production is being limited to 5,000 pairs.

The new **MICHELIN Pilot Power 3 MotoGP™ Ltd Edition** is available in 120/70 ZR 17 (58W) front and 180/55 ZR 17 (73W) rear sizes to fit a large selection of sports bikes.

Michelin's MotoGP involvement provides it with an extreme laboratory to develop technological solutions that will later feed into the road tyres it makes for all motorcyclists.
