

The background features a white airplane with 'MICHELIN' written on the tail, flying over a globe. The scene is overlaid with various digital and technical elements, including a large circular gauge-like graphic, a network of glowing blue lines, and several icons representing data, connectivity, and fuel. The overall color palette is dominated by blues and whites, creating a high-tech, futuristic atmosphere.

## ENROLLMENT IN SESSIONS

- Click the 'MICHELIN Aircraft: Certified Aircraft Tire Expert' tile and select "Start"
- When you hover the mouse pointer over 'Not enrolled' it will change to 'Start'
- The sessions page will open where you can enroll in Session 1. It is necessary to enroll in and complete session 1 before moving on to session 2 (3 modules in session 1 and 4 in session 2)

The screenshot displays the Michelin Learning Academy Training Platform interface. On the left is a dark blue sidebar with navigation options: 'Aviation' (with a person icon), 'Home' (with a house icon), and 'All groups' (with a search icon). Below 'All groups' is another 'Aviation' entry with a person icon. The main content area shows a 'New training items' section with a 'See all' link. Two training tiles are visible, both titled 'MICHELIN Aircraft: Certified Tire Expert Program'. The first tile has a 'Not enrolled' button circled in red, with a blue arrow pointing to the 'START' button on the second tile. To the right, a larger view of the program details is shown, including a 'START' button. Below this, a 'Steps' section lists two sessions. The first session, 'Session 1 - MICHELIN Aircraft: Certified Tire Expert - Le...', is highlighted with a red box and contains an 'ENROLL' button also circled in red. The second session, 'Session 2 - MICHELIN Aircraft: Certified Tire Expert - Le...', is listed below it. On the far right, a 'Sessions' panel shows a search bar, filter buttons for 'Ongoing', 'Not started', and 'Ended', and a list of sessions with the 'ENROLL' button for Session 1 circled in red.

# MICHELIN LEARNING ACADEMY TRAINING PLATFORM

## START THE SESSIONS

- After clicking 'Enroll' the screen will change, displaying a start button above the two sessions. Click that 'Start' button and a new window will open, explaining the session where you can then press 'Start' again to begin the course

## TAKE SESSION 1

- Click 'Start one more time to begin the course'
- A new webpage will open where you can press the play button to begin
- At any time, you can click 'Exit Course' in the upper-right corner of the page if you need to come back later to resume
- There are 3 modules in session (level) 1, and 4 modules in session (level) 2

EXIT COURSE

MICHELIN Aircraft Level 1 Certification - Module 1: The Michelin Aircraft Tire Line

Latrice Elom

aircraft

In order for aircraft tires to deliver exceptional performance under demanding conditions, the tires must be properly cared for and maintained following some universally accepted practices.

This is the first module in Level 1 certification of Aircraft. This module was designed to help you learn the basics of aircraft tires and tire care and to provide an overview of the Michelin family of aircraft tires
